Let YPT brief them by themselves. That would be more appropriate. If the congressmans office has more questions, I'm sure the office will reach out to us.

Thanks for sharing. Looks like Ginny wants to meet/brief her. Since she sent this to you. Should you offer to join her or we may want to reach out to the staffer directly.

Hi Ginny,

Thank you for reaching out to Rep. Kihuen's office regarding the Anaconda Mine Site and Superfund designation. I handle the energy and environment portfolio for the Congressman, and would be more than happy to be briefed on the issue to see how we can be of assistance. Is it possible have a telephone or a video conference?

Best,

Victoria
